

## Atmospheric Pollutant Compliance Policy

### KSH Automotive Pvt Ltd

### Policy Statement

KSH Automotive Pvt Ltd is committed to preventing air pollution by ensuring that all emissions and air-related environmental impacts from its operations are strictly monitored, controlled, and maintained within the limits prescribed by applicable **local environmental regulations**, including those set by the **Central Pollution Control Board (CPCB)** and **State Pollution Control Board (SPCB)**, as well as **relevant international conventions**.

### Key Policy Objectives

1. **Legal Compliance:**

Ensure full compliance with all relevant laws, rules, and standards governing atmospheric emissions and air quality.

2. **Emission Monitoring and Reporting:**

- Regular monitoring of stack and fugitive emissions.
- Maintenance of proper logs and reports as per regulatory requirements.
- Timely submission of reports to statutory authorities.

3. **Pollution Prevention Measures:**

- Installation and upkeep of Air Pollution Control Devices (APCDs) like scrubbers or filters.
- Use of cleaner fuels and technologies where possible.
- Strict control of emissions from DG sets, furnaces, and ventilation systems.

4. **No Use of Ozone-Depleting Substances:**

- Avoid use of HCFCs or other ozone-depleting substances in production or HVAC systems.
- Promote alternatives where applicable.

5. **Training and Awareness:**

- Periodic training programs for employees and contractors on air pollution prevention and compliance.
- Display of air quality guidelines and emergency response protocols.

6. **Continuous Improvement:**
